### **FLOOR SHOW**

Our Floor Show is the “go anywhere budget camper” It can be performed in the smallest lounge room to the largest stage. It can be staged with the audience on all four sides if necessary, although not recommended.

“close encounter of the furred kind!!!”

##### **WONDER...**

only to reassemble and reappear, after lots of suspense and laughter,  
in a place which proves money really does grow on trees!

### **STAGE SHOW**

Our Stage Show does not actually require a stage, but it does need a larger area such as a dance floor. The audience is best seated in front, although front and sides, to an extent, is workable.

Several of our features from our Floor Show also appear in the Stage Show.
